From: John J. Vigil, Purchasing Manager 

Subject: Cancellation of RFP2007-022-KD for Fiscal Agent

The subject RFP is being cancelled for revision. Such changes are vast enough it would require major Addenda and could rather than offer the clarity we seek, result as an action contrary to this intent.

A revised solicitation in the same Request for Proposal (RFP) format will be issued shortly. The revised RFP will be assigned a new solicitation number.

Please check the Purchasing website (<http://www.cabq.gov/vendor/solicitations.html>) for the posting of the new and revised solicitation should you not receive notification. Any questions regarding this solicitation may be made through Senior Buyer Kelli DeAngelis @ 505-768-3333 or by email, kdeangelis@cabq.gov.

Thank you for your understanding in this matter.
